2026 SUPPLEMENT

INCLUDES 2023-2025 INTRODUCTIONS

Dear Henri Studio Enthusiast

The Creativity Continues at Henri Studio with 18 new and unique offerings for the 2025/2026 season. We're excited to bring you continued serenity and joy for your landscape!

Welcome to a world where water dances, light glows, and artistry comes to life.

Our latest collection from Henri Studio celebrates the power of nature and the joy of timeless design. You'll find bold, architectural fountains, delicate birdbaths, and charming garden sculptures, all crafted to transform your outdoor spaces.

Picture the **Kona Fountain** standing tall as it pours streams of water into an echoing chamber below and glowing beautifully at night. The **Nirvana** creates a gentle garden melody with water bubbling and flowing from every edge. The **Lunar Flow** sparkles beneath the sun as it glides over multi-textured discs. For something more dramatic, the **Pacifico** delivers a rush of energy, a sculptural centerpiece that stirs the imagination.

Rustic and grounded, the **Pueblo Fountain** draws from the spirit of the Southwest, built to endure even the strongest summer sun. The **Avalon** brings a unique contrast, with strong horizontal lines and airy spaces that offer both power and tranquility. The **Cloud Spill** adds a playful twist, sending water in multiple directions in a lively, sensory display. The **Acorn Bubbler** offers a moment of calm with its subtle water movement and nature-inspired form, while the **Bellagio Fountain** delights with bubbling streams and gentle cascades.

Bird lovers will appreciate the elegance of the **Hosta**, **Hummingbird**, and **Wildflower Birdbaths**. The **Heart of Hearts** offers a layered design with a touch of sweetness. And, the **Tall Acorn Birdbath**, with its oversized oak leaves and acorn cap, adds sculptural charm to any garden setting.

To complete your space, add the **Haiku Bench**. It's strong, sleek, and beautifully simple. The **Coastal Lighthouse** brings nautical charm and a welcoming glow when lit at night. Our **Sweetheart Gnome** adds whimsy, while the **State of Texas** sculpture makes a bold, proud statement. You can also cheer for your alma mater with any of our 22 decorative **College Stepping Stones**, designed to display flat or upright indoors or out.

This collection invites you to explore, dream, and design a space that reflects the perfect you.

Henri’s vast array of rich and popular tones combine today’s sophisticated color trends with historic old-world elegance, giving every Henri Studio creation an aura of timelessness.

Stone Wash Finishes

Henri’s Stone Wash Finishes have soft and subtle hues, varying in their intensity, and providing a rich contemporary presence to your landscape design.

Acrylic Finishes

Traditional Henri finishes, achieved with layers of acrylic paints and antiques, tastefully replicate an ageless classic look.

Hi-Tone & Relic Hi-Tone Finishes

Subtle highlighting in which various Acrylic Paints or Relic Stains are applied for a lively, depth-revealing effect. Only select Henri items are available in Hi-Tone or Relic Hi-Tone, and these are usually depicted as such in the Henri Catalogue.
