

HENRI

THE CREATIVITY CONTINUES...

2027 SUPPLEMENT

INCLUDES 2023-2026 INTRODUCTIONS

Dear Henri Studio Enthusiast

A beautiful garden is more than a collection of plants and decorative accents—it is a place of refuge, inspiration, and connection. It is where the soothing sound of water quiets the mind, where birds gather for a refreshing drink, and where family and friends pause to enjoy the beauty of the outdoors.

For more than half a century, Henri Studio has been dedicated to creating handcrafted pieces that enrich these moments. We are excited to continue that tradition with 14 distinctive new introductions for the 2026–2027 season. Each new design has been carefully created to bring artistry, character, and a sense of serenity to landscapes of every style.

From the natural beauty of our **Curving Slate Fountain**, **Cascading Lilies Fountain**, and **Wall of Lilies Fountain**, to the timeless elegance of the **La Roma Fountain** and the artistic inspiration behind our **Great Wave Fountain**, this collection celebrates the enduring appeal of moving water.

Our newest birdbaths—including the **Dragonfly**, **Sea Turtle**, and **Angels Wings** designs—provide welcoming sanctuaries for wildlife while adding charm and personality to the garden. The contemporary **Wave Bench**, whimsical **Green Man Gnome** and **Birdwatcher Gnome** offer even more ways to express your individual style outdoors.

And for those who proudly support their alma mater or favorite team, we've expanded our collection of **Collegiate Stepping Stones** to 26 distinctive designs that can be displayed indoors or out.

Whether you're creating a peaceful retreat, enhancing a gathering space, or adding a unique focal point to the landscape, we hope these new offerings inspire you as much as they inspired us to create them.

Thank you for allowing Henri Studio to be a part of your gardens, patios, and outdoor living spaces. We are honored to continue helping you create places of beauty, reflection, and enjoyment for years to come.

As always, we hope that you enjoy our new offerings as much as we do!

Enjoy!

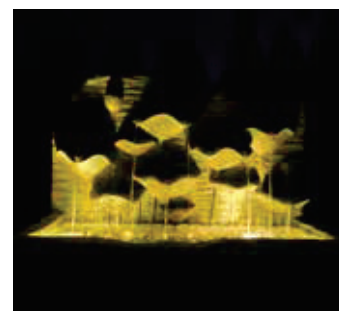

Your Henri Studio Team

Relic Stain Finishes

Relic’s rich stains blend rustic earth tones into unique and striking combinations, resulting in one of a kind masterpieces. Within their color range, each Relic Stain finish will vary from lighter to darker, along with some intentional mottling. Relic Stains enhance and reveal the rich character sculpted into each and every Henri Studio creation.
